

GMP-X 2026 contributed talk template

Alice Hunter¹ · Bobby Fisher² · Charlie D. Marshall¹

Abstract

This is the GMP-X 2026 contributed talk template for \LaTeX . Use `pdflatex` and `bibtex` to compile it. Recommended length: about 100-200 words. If needed, you may include references, e.g., to the work by Peters and Wittman [1].
